Worship each week is at 8:30 a.m. & 10:45 a.m.: Each week we offer two services—an early more traditional service at 8:30 a.m. and a later more contemporary service at 10:45 a.m. The blessing of this schedule is that it allows for at least 45 minutes of fellowship over coffee and goodies in our Fellowship Hall with all worshipers from both services together. Please plan to join us for fellowship and worship! Fellowship is at 9:45-10:30 a.m.

Offerings: We thank each of you for your continued financial support of Holy Cross. Holy Cross Resource Conservation Initiatives: Holy Cross recently implemented three initiatives to conserve resources and money: (1) a retrofit to all LED lighting, (2) a smart water irrigation system, and (3) smart thermostats. The thermostats have been set based on planned activities in the church. When the space is not scheduled they are set to 60 degrees in the winter and 90 degrees in the summer. This will save money, energy, and increase the life of our HVAC system. If the space is not at a comfortable temperature for your group, feel free to make an adjustment for the time you are here but please return the thermostat to the standard set point (60 degrees winter, or 90 degrees summer) when you are finished using the space. You can learn more about these initiatives in our January newsletter. If you have questions or concerns please call John Gillette at 509-990-7959.

2023 Giving Statements are currently in your box in the narthex. Please look them over and if you notice any discrepancies, please contact Susan in the office at 509-483-4218.
